Proposed response

Hi Ed, as discussed on our prior call, MSMB has advised us that it has received assurances from its managing member that it will have the resources to pay the obligations set forth in the notes and the indemnification agreements. MSMB advised us that the managing member provided documentation demonstrating that it owns securities with an estimated value in excess of \$8 million.

Mark – we are working on the review as we speak. I need to get everything through our review our department. Critical item to evaluate is the evidence of MSMB's ability to repay the remaining settlements and/or indemnify the Company for the payment exposure. Please also advise as to when the liabilities will be paid by MSMB. I know that a minimum, the Lavelle agreement is overdue. This is a requirement of Joint and several liability accounting which requires the recognition of liabilities at the greater of the contractual or likely payment amounts.

Guys,

We would like to file the amended 10K and Q and the 2nd quarter 10Q by Friday. I plan on having a board call on Friday at 4:30pm to approve.

We also need to file our S-1 mid-week next week, which we would like your consent on. Please push to get your review completed as quickly as possible. We need to get the docs sent of XBRL today in order to file on Friday afternoon.

Thanks.

Marc
